Nature of Complaint:

Docket No. E-01345A-07-0468

Customer's Opinion:

Customer does not understand why APS needs another rate increase when the company sponsor's major events. The company sponsored the light parade and other community events. Customer believes some of the expenses should be alleviated through the developers instead of the rate payers. The paper stated there were going to be new Commissioners coming in and there will probably be no alternative for energy.
